

GUIDE TO THURSDAYS GOING GLOBAL 10AM - 11AM PST

SERIES FOR SMALL AND MINORITY-OWNED EXPORTERS

The United States represents only 4% of the world population. Exporting allows small and minority-owned firms opportunity to access the other 96%.

Led by the **Sacramento Minority Business Development Agency Business Center**, this comprehensive webinar series will teach you everything you need to know about how to grow your business through exports. Whether you're new to international trade or you're seeking to expand your export endeavors, register now to get connected with the experts who can help you scale globally!
